The Queen's College, High Street, Oxford, OX14AW

EDUCATION

Master of Mathematics and Statistics, University of Oxford 2020.10 - 2024.6
2nd year pursuing a Master of Mathematics and Statistics at Queen's College, Oxford. Interested in Machine Learning as future research direction.

A-Levels, Acabridge College, Shanghai 2019.8 - 2020.7
Mathematics(A*), Further Mathematics(A*) and Physics(A*)

RELATED EXPERIENCE

Spring Intern, Goldman Sachs 2022.4 - 2022.4
Participating in Goldman Sachs Spring Insight Week in the Engineering Division.

Student Consultant, The Oxford Strategy Challenge (TOSCA) 2022.2 - 2022.2
Participating in TOSCA, a training program by Oxford University Career Service. Our team advised Strong & Together (a boutique brand and packaging design company) on their LinkedIn marketing strategy.

Teaching Researcher Internship, Vision Academy 2021.5 - Present
Doing teaching research for Vision Academy, an international tutoring agency in China. Now I am leading a project using *Obsidian* to construct a knowledge network for Oxford's Maths Admission Test, interviews and Cambridge's STEP test.

Product Researcher Internship, MarginNote 2021.1 - Present

- Doing research on learning methodologies and models, categorising user feedback and managing official forum for MarginNote (an App Store top-10 study app)
- Participating in MarginNote's official video tutorial project as a director and a recorder
- Participating in MarginNote's User Reference Manual project as a proofreader and a translator
- Event organiser of *MarginNote's School Season Event 2021*

Mathematics Tutor, Yuanxuetong Education 2020.7 - 2020.8
Teaching Oxbridge applicants university admission test and interview skills. Two of my students have been enrolled at Oxford to study Mathematics.

Netease's Musician, Netease Music 2019.1 - Present
Participating in Netease's Musician project to publish my music works on Netease Music, one of China's largest music platform.

CERTIFICATES & AWARDS

The Queen's College's Collection Prize 2021.5 & 2021.2
Receiving Collection Prize two times from the Queen's College for my outstanding performance during the collection exam.

Vision Scholar 2021.4
Joining the Vision Scholar program in Vision Academy to receive a scholarship for 60,000 CNY.

TOEFL 2020.7
Total(109/120), with Writing(29/30), Speaking(29/30), Reading(28/30), Listening(23/30).

Certificate of Amateur Level 10, Piano Grading Examination 2013.8
Receiving a certificate of amateur level 10 (highest amateur level) by *The Music Grade Examination Committee of Zhejiang Musicians' Association*.
